MEMORANDUM

TO: All Elevator Inspectors

FROM: Edward Wiggins, Director/Chief Inspector
Inspections Division, Elevators/Boilers

SUBJECT: 60 Day Overdue Locations

As of September 1, 2020, all locations with conveyances 60 days or more overdue will be placed on a list which shall be distributed to all inspectors. This will open the location for immediate inspection by any available inspector.

This still provides the previous inspector a 90-day window to perform the annual inspection, 30 days before it is due plus 60 days after due date. We believe that 90 days is more than adequate to complete all inspections.
